CROCHET HOOK

4mm (no 8) (US 6) crochet hook

CROCHET ABBREVIATIONS

Ch = chain; **tr** = treble; **sp(s)** = space(s); **sl st** = slip stitch.

VERTICAL WEAVING

Base section forms a mesh “grid” with each “square” of the grid made up of a tr at each side and 2 ch at top and bottom. Vertical weaving is worked on the 2ch between each tr, from one row to the next.

Beg by attaching yarn B & F held together to the first 2-ch sp of the foundation row of the main scarf. Now with RS facing and using 4mm (US 6) hook, and ensuring sts are not worked too tightly (so that base section is not distorted), work up the work as follows: 2ch, work 1 sl st around the 2ch directly above where yarn was attached, *2ch, 1 sl st around the 2ch directly above where last sl st was worked, cont from *until sl st has been worked around the 2ch of last row.

Fasten off. Ends can be left approx. 20cm long at each end.

Work in the same way across the rem 13 ch spaces, using shades as follows.

2nd 2 ch sp: yarns B & F held together.

3rd 2 ch sp: yarns B & E held together.

4th 2 ch sp: yarns A & C held together.

5th & 6th 2 ch sp: yarns A & D held together.

7th 2 ch sp: yarns B & F held together.

8th 2 ch sp: yarns A & D held together.

9th 2 ch sp: yarns B & E held together.

10th & 11th 2 ch sp: yarns B & F held together.

12th 2 ch sp: yarns A & C held together.

13th & 14th 2 ch sp: yarns B & E held together.
